

OUR MISSION

Research confirms **almost 90% of church leaders around the world have had no formal training***.

Carey International Pastoral Training seeks to **equip, encourage, and empower** church leaders to teach and preach the Word of God faithfully and well.

We work with **existing church networks**, providing theological education for their pastors, so that they may shape and equip their churches to reach their nations with the Gospel of Jesus Christ

Won't you join us in this vital ministry?

CAREY INTERNATIONAL PASTORAL TRAINING (CIPT)

OUR GOAL

Our ultimate goal is to equip pastors with the knowledge and skills necessary to educate others. By fostering a culture of sharing and mentorship, we aim to create a ripple effect; that the pure gospel will be proclaimed in churches, villages, towns, cities, and countries with Biblical clarity, conviction, and Holy Spirit power, to the Glory of God!

HOW WE WORK

We strongly believe in the power of face-to-face interaction and offer week-long modules led by academically qualified and experienced pastors. This hands-on approach not only enhances learning but also fosters community among pastors, enabling them to engage deeply with the material and each other.

GO

We seek dedicated Men of God to teach the Word of God to our student-pastors. Consider joining CIPT as a teacher!

CONNECT

Join Carey's mission—nothing is impossible with the prayerful support of God's people. Sign up for our newsletters or follow us on social media for updates.

PARTNER

CIPT offers biblically rich, academically rigorous, pastorally focused training for pastors worldwide. Pastors and churches partner with us in this critically important gospel work.
