University of Theology**

CAREY GLOBAL CAMPUS

Training Leaders for the Global
Church

About Us

At Carey International University of Theology, we are dedicated to equipping and empowering church leaders through transformative education that emphasizes a Christ-centered approach to Scripture. Our innovative curriculum combines guided reading, dynamic lectures, and meaningful group interaction, creating an engaging environment that enriches both the mind and heart while preparing students for impactful service. Join our vibrant community and connect globally as we strive to make a significant impact on the global church.

- Students must have access to a strong and stable internet connection.
- An annual library fee of \$25 USD gives access to a rich set of online resources.

Fee Structure

At our core, we are a mission-driven organization dedicated to making theological education accessible to individuals who face challenges such as geographical barriers, financial constraints, and other obstacles. To fulfill this mission, we have designed a flexible fee structure that caters to the diverse needs of our students.

For pastor-students from developed countries, we offer tuition rates that are both affordable and accessible, ensuring that quality education is within reach for all.
